Familiar with software design models such as Model-View-Controller and Master Detail Applications. 2+ years of experience working with Linux operating systems. Certified with CompTIA Linux+ certification.

EDUCATION

MASTER'S IN COMPUTER SCIENCE AND SOFTWARE ENGINEERING CANIDATE

Auburn University

- Expected Graduation Date: May 2023
- Related Coursework:
  - Advanced Topics in Algorithms
  - Database Systems I
  - Machine Learning

BACHELOR OF SCIENCE IN COMPUTER SCIENCE / DECEMBER 2020

University of Maryland

- GPA: 3.9
- Honors: Magna Cum Laude, Dean's List
- Spring 2017 – Fall 2020
- Related Coursework:
  - Advanced Programming Languages
  - Data Structures and Analysis
  - Design Computer Algorithms

SKILLS

Linux Operating Systems	Git / Version Control
Team Coordination	Collective Leadership
Database Management	Command Line Interface

AWARDS

Good Conduct Medal Active – November 2020
Navy and Marine Corps Achievement Medal – September 2019
